Report of the Second Auditor on
the claims of J. A. Bala for Pay
as A. A. C. S. & 6 Gen. Com. of

Reported Mar 18th 1864

I concur in this Report of

this claim, it may be pre-

the report of the Second Auditor on the claim of L. M. Hale for
pay as A. A. C. S. 6th Georgia Cav and pay as A. A. C. S. 2nd Cav. Brig.
2nd Division for parts of the years 1863 & 1864

The Claimant alleges that he acted as A. A. C. S. of the 6th Geo. Cav.
from the 7th Feb'y to 1st August 1863, a period of five months and
twenty four days, and that he is entitled to receive \$140.00
per month, amounting to \$840.00. John R. Hart Col Com^d said
Regiment certifies as to the correctness of the account, and that
he recommended the appointment of the said Hale, who was
immediately put on duty as acting Commissary for said Regt.
previous to the abolishing of Regimental Commissaries.

He also alleges that he acted as A. A. C. S. for the 2nd Cav. Brig.
2nd Division from the 28th Sept 1863 to 1st July 1864 a period of
9 mo. and 2 days, and that he is entitled to receive \$167.50
per month, amounting to \$1468.50. J. Morrison Col Com^d said
Brigade, certifies to the correctness of the account, and that the
said Hale was immediately put on duty as acting Commissary
for the said Brigade, in the absence of bonded officers.

Such is the statement of the claimant and the evidence produced
to sustain them.

Col Hart commanding "6th Geo. Cav" and Col Morrison com^d 2nd Brig
2 Divⁿ had no power to place the claimant in their position,
which could only be occupied by a commissioned officer. The
Pay and the Commission are handwritten, the former ^{is} the latter
and is attached to it. Any relief to which the claimant is
entitled, even only be granted by Congress. My opinion, is that
this Bureau has no power to allow these claims, and therefore
the same are rejected.

All of which together with the papers filed as proofs, is herewith
submitted to the decision of the Comptroller of the Treasury.

Only a part from analysis of Com
 position, I wish again to enter the
 group. The reason for this is
 that to be in it was from ill
 health produced by exposure while
 in England. You know I was
 among the first to volunteer when
 the war commenced and went to
 Committee as Capt of a company, at
 the organization of the 1st Regt was
 elected Major, in which capacity
 I served for sometime in the
 Virginia. After returning to
 me I was elected Secd of the
 1st Regt. Later I went to
 Kentucky in office to serve
 I remained until Feb 1862

with an attack of Paralysis;
from which I have never re-
covered, & am ^{at present} unable
to do my duty, but would gladly
accept any position that I can
fulfill such as Com^d of a Post
either Post Commissary or Quarter-
master or Provost Marshal.
In order to be eligible to any
of these positions I must first
hold a Commission as an officer
in the army. It is for the purpose
of procuring said Commission that
I now address you, hoping you
will give it your earliest consideration
and influence, and if possible
procure it for me.

I have made several ineffectual
attempts to see you in person
but determined to address you
in this manner. I have this
morning for Spachburg where

where I will be for a few days
when I will return to this place
hoping on my return to receive
from you a favorable answer

Having a very large
number of officers in my

on their monthly pay, and
my numerous rendezvous

over the States of Alabama
and Mississippi, and
sections not occupied by
the enemy, I respectfully
ask for the assignment of
a Pay Master to duty with
me. This want is rendered
imperative by the refusal
of the Pay Masters in those
States to pay my officers
as they make no estimate
for them. I ask that you

will have \$100,000. paid

the Quarter Master fund
being required to be kept

perform both duties.

perform that duty, if di-
-rected so to do by you, or
their respective superiors.

Hon. Gen. J. F. Davis, President C.S.A.

Sir

The death of my
Hon. Father throws his Personal Staff, of which I
have been a member since his entry into service,
out of Commission.

My health for some time has been precarious
from partial paralysis, produced by exposure while
in the discharge of the duties appertaining to my
position. I am incapacitated by this disease
to discharge the duties of an efficient Field
Officer or Staff Officer in the field. I could
go before any Medical Examining Board and
obtain a final discharge; I am however, so
long as I can be of the least service to my country,
extremely unwilling to quit the service, or withdraw
finally from the contest for liberty dear to no one,
but doubly dear to me, since it has been hallowed
by the blood of my great and good Father.
There are positions at Post, where my
service might be made available; duties

which my health would allow me to
assume and which I could write justice to
myself and Country discharge.

I have the honor to therefore to ask that
I be recommissioned in the army, and
assigned to Post duty at some point.

I respectfully ask that the grade be not
lower than that I have already held.

I would make this application in
person were I not withheld by a sense
of duty to my Mother & Sisters to remain
with them in this their great affliction
and also by the temporary ill effect on
my paralysis produced by the same cause.

I have the honor to be Sir

Very Respectfully

RECORD DIVISION

Wilmington.
10th Jan'y. 1875.

General Edward Sherman.
Chairman of Committee.
United States Senate. Richmond.
Dr. General.

I have with regret,
of a determined opposition in the Senate to
the configuration of Brigadier General
F. H. Robertson; appointed by the President last
summer to command a Brigade of Cavalry in
North Carolina. Knowing him to be one of the
best soldiers and most reliable men in our
army, I take the liberty of asking your at-
tention to his case. The opposition to him is
founded on his report of the conduct of a part
of Genl. Proctor's command in the battle
of Manassas; where he commanded a battery
of Artillery, and was abandoned by those troops
who were ordered to support him. That he
intended any reflection on Genl. Proctor,
personally, who is known by us all to be a most
gallant man, no one can believe who will
read his report. But it has been so mis-
takenly taken for granted that he intended
justice should be done, but the President's

it unnecessary. He could readily see that a
portion of Genl Brakenridge's commands, as many
things have done, might behave badly, and that
Capt. Robertson might expect that fact. With-
out either officer being implicated or
deserving censure. Unfortunately, however,
it seems to have become necessary, and by
it we are brought to the brink of ruin, that
all dissimulation and bad conduct should be
overlooked, and nothing reported to superior
authorities, but what will tend to glorify and
exalt. By this course our lapses are kept
in ignorance, the country is kept in ignorance,
and when at last your eyes are opened, you
find your Army soldiers, maiming mothers,
your officers drunken bores, or wounding
sharper and your country lost. Shall
this continue? Are our best men to be cut
down in this way through the halls of the
Senate, to gratify individual feeling, and
the Army and the country to be ruined?

May not Genl Brakenridge & Genl Robertson
lay their differences, and still both of
them be good solid men, valuable to
the cause? I have seen them both on
the battle field, tried by fire as hot as
men can stand, and know them to be true
as steel. Both have been promoted on

my recommendation for this conduct, and tho'
it is not my pleasure now to command either,
I will stand between either of them and the
unjust aspersions of any enemies.

This gallant young soldier lost summer by
an extraordinary march reached South
West Va. in time to save our salt works. The
Virginia papers, it is true gave all the credit
to Militia & Reserve, but the truth was
made known by Genl. Brakenridge himself.

I am true he made an extraordinary march
and reached Georgia in time to fight it day
and night for twenty five days against
Sherman's advance this Georgia. He now
lies prostrate with a broken arm, recd
in a desperate charge in driving Kil-
patrick back from Augusta. He was at
the time far in advance of his troops in
headlong pursuit of the daring raider, and
but for an accidental shot would have
killed his man.

Will the Georgia Senators
permit this man to be sacrificed to a
mere personal feeling? Ask Senators Hill
and Johnston if they can consent. Ask
the people of Augusta who now have
him as an honored, suffering guest?

Every blow aimed at such a man and
for such a cause, is but a selfish and

sympathetic stab at the very heart of the
Confederacy. We are well nigh brought
to ruin by this conversion of official
reports into personal wrangles - Enquire,
and if the report be untrue degrade
and disgrace the party making it. But
if it be true honor him the more for
his boldness and integrity.

I tremble for our safety, when I
see the blind infatuation which seems to be
leading us to destruction, by giving this undue
weight to personal matters. Let individ-
uals settle their own squabbles in their own
way, and let any one of us sink, to rise no
more if necessary - but let the government
attend to the public interest. You have
as much as you care do to save the
Cause.

Excuse my rambling, but I write
from my heart, with something of the feeling
of one retired and looking upon these selfish
struggles for personal ends, with sadness and sorrow.
Your friend.

Hon. J. A. Hudson

See of War

I take great pleasure in recommending Adjt. B. W. Ball now acting as A. A. G. to Genl. G. G. Conoly Brigade for the position of A. A. G. and assignment to that duty.

Adj. Ball having served in the same village and having been a member of the same for many years before the war. I have known him intimately and well. He is a gentleman of fine education and of high social position. He has been in the service since the commencement of our difficulties, most of the time as

Adapt of the important position of
the Hampton Legion command
by Col Gary. He has been constant
ly with his command and has
been in most of the battles, from
the first battles including
Chickamauga & Knoxville to
the late campaign in Va. He
has seen much service, and
of the most arduous and danger-
ous character. Through all of
it, he has borne himself with
courage & devotion. He is
eminently fitted for a higher
position than the one he occupies
and no doubt would have attained
it before this had he been in
line of promotion.
From his military experience,

his education - his vigorous
abilities - his proven courage
& love no doubt of his own
fitness for the staff duty of
a Major - I feel more than
ordinary interest in Lt. Moore
for the reason that acting as
advt, he has been thrown out
of the ordinary line of promotion
and consequently has not
reached that position which
his qualifications - his merit
and his previous achievements
entitled him to hope. I most
warmly commend him to
your favorable consideration.

I have the honor
to be most respectfully
your obedient
servant

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the above named matter. I am sorry to hear that you are not satisfied with the result of the investigation. I have, however, no objection to your making such use of the facts as you may think proper. I am, Sir, very respectfully,

Will you allow me
to ask your special
attention & consideration

of the **RECORD DIVISION** by
Gen. Hays, for the ap-
pointment of **BRECKENRIDGE**
B. H. Hall, as his
adjutant.

There are several
superannuated adjts.
General, awaiting assignment.
But so far as I care
as they are "scrub"
men; the most of them
make superannuated, be-
cause they are not
back-claps.

Hall has been General's
right-hand man ever
since the war began. He
has sympathy with
the cause.

He is besides one of the
best trained, most skillful,
& thoroughly brave officers
in the service. Has been
in, ever since the war
began; has not missed
any of the many trying
battles in which the
Legion has been engaged.
No man who could be
assigned can at all fill
his place.

General's command of
Cavalry is, you know,
a very difficult one to
manage. The gates of the
City are guarded by him.
He is doing here, what
Hampton's corps is
required to do at Peters-
burg; his doing it splen-
dently. Much of this,
I know, is due to Hall,
I

It will be peculiarly
hard if he is stopped
from promotion.

Can you not con-
sistently, make an
exception in his case,
on the distinct grounds
of meritorious service
& peculiar fitness?

The first thing I saw when I stepped

 what I needed. The air was fresh and
 the birds were singing. It was a

The first thing I noticed when I stepped
 out of the car was a warm, sticky
 air. The humidity was thick and heavy,
 clinging to my skin. I had heard that
 the weather was terrible, but I didn't
 realize it would be so oppressive. The
 sun was beating down on the city,
 and the streets were filled with the
 sound of honking horns and the
 smell of exhaust. I felt like I had
 entered a different world, one that
 was completely unfamiliar to me.

Jul 5th 1864

General George Corcoran
Long Bridge Defense of Richmond
In order to get the staff of his Brigade
appointed. It is highly important that this
should be done as quickly as possible in the
interest of General Corcoran and the
character of the ground he has to guard makes
it important that his duties should not be in-
terfered with by the want of officers to attend
to details in the command being temporarily
vacant. It is very important that these com-
pany duties affecting the efficiency of his command
should be well performed. But in the
circumstances of General Corcoran's
position.

I take pleasure in recommending to your favorable consideration Lieut B. M. Ball Adjt of the "Hampton Legion" who I am informed has been recommended by Brig Genl. Gary for the position of A. A. Genl of his Cavalry Brigade.

The Adjt. Genl's Department would have a valuable acquisition in the person of Lt. Ball and his promotion has been deserved by his meritorious services since the opening of the war. He is an educated gentleman and gallant soldier - and in my opinion peculiarly fitted for that Department of the Army.

In answer to instructions I have the honor to submit the following plan for the organization of the 1st Miss Regt of Light Artillery based upon the reduced complement of Cape Cod and Comdg the Regt.

1st I would recommend that his proposition in regard to his own company "I" be carried out - viz - Consolidate Companies G & H. in these two companies we will have 72 men now on duty in Leroy. Co. ii. "Smiths Battery" 12 men here in Parson's Co. Camp - of Company "B" and 27 men of Company "K" giving a total of 109 men to man the Battery. This would reduce the Infantry now manning "Smiths Battery" and return them to their commands. I would suggest the following officers Cape Cod Co. 9. 1st Lt. Hanes. Company "B" 1st Lt. Lawrence. Co. "B" 2nd Lt. Cowan and. J. and. of Comp. B. and. 2nd Lieut. of Comp. K. The latter officer being the only one who would be exempt from Rock House.

2nd Consolidate Companies B, C, D & I. There would be -
26 men of B in Camp. Exchange -
33 " " " " " "
17 " " " " " "
17 " " " " " "

95 is a total which with the prospect of increased men be sufficient to man a four gun battery - I would recommend the following officers -

1st Lt. ^{Flower} ~~Flower~~. Mess. and. Hardy - And 2nd Lt. Flowers and. Calvin

3rd Consolidate Companies A, B, F. of the 1st There is now in camp 72. Exchange of Company F. There is 35 men - This would give 107 men after consolidations sufficient for a four gun battery -

I called the at-
tention of the Comdg
Genl yesterday to the
need of ammunition
for Minnie + Enfield
Rifles.

This morning I
would really call
his attention to the
within Report showing
that there is great
need of Medical Case
for 6 Pr + 12 Pr how-
iters, also there for
12 Pr howiters.

Requisition was
made for a supply of

This ammunition soon
after the battle of Kims.

I am certain that
the Comdg Genl is ab-
solved of the fault com-
menced in this as in
the communication I sent
him yesterday, but as
he has ordered my
column to be ready
for immediate service
I have felt it my
duty to make known
my wants and de-
ficiencies.

With respect to
horses I advised soon
after the battle that
some of the Cavalry should
be detached to supply
horses for the Artillery.

Office of the ... 1861

Dear Sir

14th ...

Respectfully request that

Capitains ...

... be recommended

for the grade of Major - they are the ablest men

to command and experience has proven to me that

these officers are absolutely essential to an Army

in the field - they are among the very best officers in

the Department & have done much hard work & with

great zeal & fidelity - the grade of Major is due

to the posts they fill being over Brigade Commissaries

& their assistants - I further ask that ... formerly

A.C.S. & assistant to (Chief C.S.) of the Second Corps of

the Army, be recommended for grade of Captain - He has

done much hard service & has given great satisfaction

in the discharge of his duty at all times -

I suggest that it is due these officers that their rank

should be effected from date of the failure of the last

Senate to confirm them in their former appointments

This is desirable that they may not lose rank in consequence

of the causes on which they had no control.

I am, Sir, very respectfully,

Yours truly,

R. C. C.

attention to the quality of the Flour now being issued to
me for the use of this Division. The few last invoices
received, the Flour was musty, & had it been sound, it
was of as low a grade as scarcely to be considered merchant

Affidavit as to loss
of Flour.

60 Bant's Flour.

The outfit that we have been on duty with Maj. Thos. J. Tallard
U.S. as recruiting & recruiting Sergeants, since the 1st of October 1862, and
that we are cognizant of the following loss of Flour at various
times and under the following circumstances.

I. During the month of October 1862, while encamped at Quantuck Hill, the command was supplied with Flour by purchasing
wheat & having it ground at various Mills - in some cases
out be had and this flour was packed in old barrels, in some
cases the barrels were used three or four times; the roads to some of
the mills were very rough & much flour was necessarily wasted
in transporting it in open barrels over these roads - I am sure
the loss from this cause was at least -

II. On the march from Quantuck Hill to Quantuck Hill &
Winchester, thence across the Blue Ridge at Miamas
Gap, and down to the battle field at Fredericksburg the
train was loaded with flour packed in very old & badly
casked barrels - lost by breaking of barrels & leaking

III. From about the 15th of December 1862 to the 28th of April
1863 the Division was encamped at Wolf Creek from eight
to ten miles from the Railroad Depot at Aquia Springs Station
and our supplies were transported this distance over roads
almost impassible - such was the condition of the roads that some
of fine barrels of flour were lost from some horse wagons
a part of the winter the roads were utterly impassible with snow
and our supplies were transported by means of pack horses -
this caused necessarily the repacking of flour into sacks
receiving much loss - The flour issued to Maj. Tallard
during all the winter was in bad condition, barrels often
bursting open on the roads from bad exposure, in some
instances with the loss of almost the entire barrel - the
loss from these causes during the winter was certainly
not less than - *Twenty eight barrels*

Hon Sec. of War

Sir,

Learning that Genl. Finnegan, and his Excy. Gov. Milton of Fla., have sent recommendations to your department for the promotion or appointment in the Army of Mr. Baltzell, of the 2^d Ill. Regt. now under Genl. Perry, and failing, upon examination to find any such papers on file, I beg leave to say that such recommendations have been made, and that they have my cordial endorsement. There is no more deserving young man, a gallant soldier from our State than Mr. Baltzell. He has been in the war from its commencement, has fought nobly, and his appointment or promotion would give great satisfaction in Florida.

Protest Marshals Office
August 25 1864

In:

In July 1860 I graduated
at the Virginia Military Institute.
very soon thereafter I went to the
State of Texas where in the latter
part of 1860 I joined a company
which I commanded at the time
of the surrender of Genl. Twiggs
and Forces at San Antonio
and assisted in the capture of the
U.S. Troops on the Frontier and
also of those on the Gulf Coast after
six months in the State service of
Texas I was appointed 2^d Lieut
in the regular Army of the Conf-
ederate States. Since which time
I have served nearly two years
with a Cavalry Company of
regulars, which came over to us
from the U.S. Army. Whilst
with said Company I served seven
months on the Frontier fighting
Indians: Afterwards in Arkansas
and Miss. at Corinth, Vicksburg
and at the first siege
of Vicksburg, and various other
places of minor note.

Since I have been
in this Department I have served
in the 1st Genl's Regt under
Genl. Bragg; but since I have been
promoted to a Captaincy I have
been almost all the time on post
duty and am now on post duty

at this Point. This duty I have
never desired or sought I am
an able bodied man never was
sick in my life, and never have
been absent from my post or off
duty, with the single exception
of thirty (30) days and then by
leave of Genl Bragg I visited
~~my home in England~~ I have
always had full credit for all
that I have done, never was under
arrest nor ever censured in any
manner for any official conduct
I desire Field service and feel
that I am qualified for it, I started
as a Captain and have been doing
Captains duty nearly ever since the
war commenced, therefore I respec-
tfully ask to be appointed Lieut Col
of Cavalry and Ordered to report
to Headquarters Army of Genl

I am graduating
at the Virginia Military Institute and
appointed 2nd Lieut of Infantry in
the regular service of the Confederate
States since which appointment
I have served almost two years without
leave having been off of duty and
never since my appointment have I acted
in the office of 2nd Lieut. I have over
thirty months on duty with a company
of regulars and a portion of the time
as Captain commanding the County Cadets
from the old United States Army and
part to Genl Van Dorn and again as
Brigade Quartermaster under Genl Massey
I do therefore respectfully ask to be appointed
Captain in the Provisional Army of the
Confederate States. Very respectfully

Your obedient servant

Sir

About three weeks since I was temporarily assigned to duty in Company C. C.S. Cavalry Stationed at this place to fill a vacancy made by the resignation of Lieut Ingraham then Commanding Company C. C.S. Cavalry who has now gone to Richmond and since his departure his resignation has been rescinded, and he is ordered to proceed with his company to Fort Stanton, Arkansas and report to Gen Haeder. I would be glad to know then, if when he returns I will be relieved from duty with his company. My appointment in the regular army is in the Infantry Corps, and I would be pleased to be relieved from the Cavalry Service at any time. particularly in this quiet and uninteresting frontier.

Yours most obedient servant

In answer to the transmission
for your most favorable consid-
eration the petition of Captain
J. P. Baltzell of Texas for a posi-
tion in the army of the Confederate
States. I have known Captain
Baltzell for the last twelve
or fifteen months. His conduct
has been exemplary & in every
respect worthy the position he
aspires to. He has been very
active & useful in the drill
enrollment & instruction of com-
panies called out by the
Confederate States. He is a
graduate of the Virginia Insti-
tute at Lexington, and his
position there, highly respectable
and distinguished. I believe
he will reflect credit upon
the service and is in every

aspect worthy of the position
of 1st Lieutenant. P. J. Law

I concur in the desire that Mr. Balthell

believing him to be qualified for the

I respectfully call your attention to my note of the 7th inst. in which I asked that the provisions of P.VIII Special Order No 54, from your Head Quarters, might be complied with. I have also verbally made the same request several times.

I now again ask that I may be notified where Batteries are moved. I know by accident, that Dashiels, Nichols and Lewis Batteries are ordered off; and I am at a loss to know where to send certain stores which are ready to be shipped and some of which are now in transit to the Post where they formerly were stationed. I beg to assure you that this complaint is made in no captious spirit or manner, but simply to enable me to keep a proper supervision over the Batteries.

General,

I have the honor to state that my leave of absence expires on the eleventh (11th) of next month: and that owing to the interruption of Rail Road and other communications, with the Trans Mississippi Dept. and that it would be scarcely to speak for me to resign my command in that time.

I have been assuming the action of the President touching the matters of my military status, submitted them through your office: but because of the continued indisposition in the part of more important public duties, he has been unable, as yet, to act.

I therefore have the honor to ask that my leave be extended until the 1st March 1865.

After an absence from my Regt. caused by sickness of myself and that of my family I re-joined my Regt. at this place on the 5th inst. As the mail is near closing I write simply to say that, by the next mail, or by a special courier, I will forward a full statement of the condition of the Regt. and the causes of its demoralization which I trust is now nearly if not entirely removed - To all appearances and by profession of the men generally, entirely removed. In a word this Regt. and report full upon the point upon the date to which it is directed. I will embrace full particulars in the statement above referred to. As to my own position in it, let the enclosed copy of the Resolutions (offered by Major. Nathan and adopted by acclamation of those then present - about 1/2 of the Regt.) speak for me. I beseech the Maj. Sen. kindly to withhold the formation of any opinion, from rumors, to my prejudice until I am fully heard through the statement I shall make as above made.

Voluntarily, May 29th 1862

General:

I respectfully direct your attention to the 89th Article of War for the government of the Armies of The Confederate States. - It states

"Every officer authorized to order a general court-martial shall have power to pardon or mitigate any punishment ordered by such Court, except the sentence of death, or of cashiering an officer; - which in case where he has authority (by Art. 65) to carry them into execution, he may suspend, until the pleasure of the President of the Confederate States can be known; which suspension, together with copies of the proceedings of the Court-Martial, the said Officer shall immediately transmit to the President for his determination."

It will be seen by reference to Art. 65, that the cases "where" the Commanding Officer "has authority to carry them into execution," are those occurring in time of war; - for the commanding officer in time of peace has no authority to carry into execution the sentence of a Court-Martial extending to loss of life. See. Art. 65.

Very Respectfully, H. L. Scott

Private & Confidential

St. Louis March 16th 1862

General:

Major Genl. McLean informed me that he had suggested my name to you for a Brigadiership, and had asked your recommendation of the nomination.

Whilst I had no agency in bringing this about, now that it has been made, I venture to approach you on the subject, & to speak to you frankly & sincerely.

Please you to judge, General, whether my military knowledge & experience - the past and present condition of my command, and the manner in which my military duty assigned me, has been executed - have entitled me to the evidence of Genl. McLean's very favorable opinion. If, however, the officiousness of an Officer's command, its military bearing and drill, are to be received as evidence of that Officer's capacity, I am ready to be judged by that standard. Of all these matters you must be the judge, without plea or suggestion on my part.

In the event, however, of your favorable judgment upon these points, I venture then to address you further.

I am well aware, General, that occasional
intemperate indiscretions now present them-
selves as formidable difficulties in soliciting
endorsement from any one; more especially
from one in your elevated position. And I
should shrink from exhibiting it from
the hum that, indeed I had - & much more
from you - if the resolve for future
improvement was not as fixed, as the
past is irrevocable. I have resolved to be
perfectly abstemious during the war, and
nothing will move me from this resolve,
let the consequences be good or bad: for you
must know that my indulgence, to excess, was at
the occasion of Phlegmon, who imagined
that I had some pulmonary affection.
I have acted upon this resolve for the two months
last past, with improving health, and, with
the help of God, will continue steadfast.
In obtaining your endorsement, I can offer
no further assurance of my consistency than
my past life affords, in the entire absence of
a single violated pledge, or the slightest
indication of faithfulness to those, who
were willing to exact or demand.
And upon this point I can conscientiously
appeal to every human being who knows me.
It would be an affectation in me, General,

to say that I have no other motive in
this proposition. I scribble to an honest
man, and in this regard, am made a man
nearly as good as if I were not so.
But I may be allowed to say, that, in the
view of my ^{in my opinion} ~~disposition~~ I must encourage to a
discipline (if I did nothing else) to which
most of those I have lately associated with,
are strangers. And I may say further,
in this confidential letter, that no such
secrets as have intruded on the evacuation
of New Madrid, would ever occur. nor would
I ever be held to account for such
useless loss of public property as there took
place. For I assure you, that having the
avoidable was the loss of the heavy guns &
cannons, ~~the loss~~ no jumping heap of
fire throwing my limbers & caissons into
the river, together with 1000 rounds of
ammunition which could be easily spent.
Had I am satisfied now, that if I had
acted upon my first ~~impulse~~, & persisted
in my refusal to obey the order. My course
would have been justified by yourself.
I am now at this place striving to re-equip
my Battery, & I am happy to inform you
that ~~it will~~ be in condition to take the
field by the middle of the next.

I should be pleased, indeed, to hear from
 you in reply, and if it be incompatible
 with your sense of right & duty to the
 country, to comply with my request,
 let me relieve you at once of any
 hesitation or unpleasantness by the
 sincere assurance, honestly made,
 that it will in no wise alter my great
 esteem for your character and
 exalted worth, and never prevent
 me from doing full justice to the
 ability & skill with which you
 have commanded the army, and
 held the valley of the Mississippi.

GEN. POLK'S PAPERS.

Columbus, N.Y., Oct 2nd 1864

General.

Mr. Caldwell of Newburgh has been a master Builder for some years, & has acquired no inconsiderable amount of influence among a certain class of men, who would make excellent soldiers. I have said to him that if he would recruit me 50 men for my Battery, I did not doubt that he would receive such position in the service as he would be fairly entitled to.

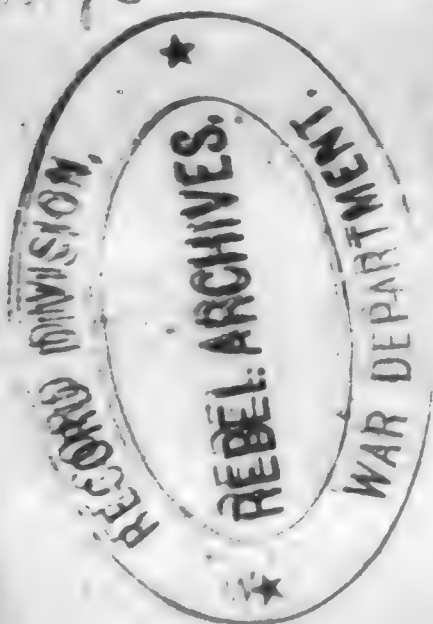

I believe he can get the recruits; and I have to ask that you will detach him to recruit for my Battery: giving him such assistance as you may deem right & proper.

CEN. POLK - PAPER

Adj: Maj: Quarter, 1 Corps
Corinth May 26, 1862

Major:

On inspecting the Artillery horses
of this Corps, their condition was so
bad, as to cause me to institute
inquiry as to the amounts of forage
issued and allowed them.

I give you the results of that in-
quiry, & ask the attention of the
General there to.

The Corps Forage Master, Capt Hyde,
informs me, that he draws in bulk
from the Post Forage Master, Capt
Kennedy. The latter issues to him
so many hundred tubs or barrels of
corn, in the shuck, each tub or barrel
being estimated by Kennedy to weigh
seventy (70) pounds, and he (Hyde)
uses

issued to the various commands of
this Corps, by the same estimated
weight.

At my request, Capt. Hyde has
furnished me with the actual
weight of three lots or barrels of
the shuck corn, when shelled; taken
from three different lots of corn.

The weight was as follows:

The lot shuck corn yielded of shell corn	\$48
" " " " " "	" 52
" " " " " "	" 49
Average weight -	<u>\$49.33</u>

The daily ration of corn has been re-
duced two pounds or one bushel; and when
this reduction is added to the loss sus-
tained by reason of the false weight,
the horses are actually receiving to half
ration - or 5 pounds of corn instead
of ten pounds.

In addition to this it sometimes hap-
pens (depending upon the supply)

that half or fractional rations are
issued at the above stated estimated
weight.

This gives very far from accounting
for the low order or condition of the
horses.

What interest Capt. Kennedy may have
in this matter, I know not - nor have
I inquired.

To bring the fact of the inadequate supply
caused by false weight, to the attention
of the General, and to ask for some
remedial measure, is the object of
this communication.

We trust that your noble use of the influence which you possess with the President of our Confederacy to promote Capt. Smith P. Bankhead to be a Brigadier General. Hoping you will use all your influence to secure him the appointment, we are Respectfully,

At this time as Col. of Arty of Arty he has twenty two (22) field guns in his command and at no time since his appointment by the Senate as Col. has he had a command less than that of a Brig. Copy of an endorsement made on the application of Maj S. P. Bankhead, Corps of Artillery, P. A. S. for leave of absence to visit Richmond, Va.

#5145 Hd Qrs T M S Shreveport, Oct. 11th 1864
To 1994. Respectfully forwarded to the A & S Genl.

I have directed leave of absence for ninety days for Maj Bankhead with permission to go to Richmond. Although Maj Bankhead has never served immediately under me, my attention has been more than once invited by his Comd'g Officers and by his associates to his capacity, and the skill with which he has discharged the duties assigned him. I believe his services and efficiency merit a reconsideration of the decision which has reduced him from the grade of a Colonel of Artillery.

act. adjt. Genl.

Richmond Jan 14th 1864

Col Smith P. Bankhead

In regard to his promotion
as Major in rank of Capt.

Richmond Jan'y 14th 1865.

General:

In connection with the enclosed papers - relating to my promotion to the grade of Brigadier General of Artillery - I have the honor to state:

That in a conversation between the President and Senator Henry of Tennessee the former stated:

That there was already a Brigadier General of Artillery in the Trans. Mip: Dept:

That there were not enough guns in that Dept to legalize the appointment of two Brigadiers for that special arm of the service:

That I had been recommended by you to be a Colonel of Artillery.

The President doubtless refers to Brig^{ad} Genl Slaughter as the Artillery Officer of rank in the Trans. Mip-Dept. General Slaughter applied for a command on the Rio Grande. His application was favorably endorsed by Genl Kirby Smith, because of his peculiar fitness for it: resulting from his acquaintance with the inhabitants of that region - his familiarity with their habits & customs & his knowledge of their language: all growing out of a long residence on that frontier.

Genl Slaughter has never been, directly or indirectly, connected with the Artillery of the Trans. Mip:

from the time of his arrival in Texas until the removal of Major Genl Sanger from the com.

mand of that District to the District of Arkansas, he served with the latter as his Chief of Staff; and was then placed in command of the Military Sub-District of the Rio Grande; where he now is.

The Artillery of Texas - such as it is - was organized and equipped under my sole supervision; and numbers about one hundred & thirty (130) pieces, as will be seen by the enclosed Return.

The Artillery of the Army of Arkansas, now in the field, numbers ninety two (92) pieces.

This does not include the Artillery serving with Genl. Buckner in Louisiana; which numbers about twenty (20) more guns.

Thus, you will observe, that the President has fallen into an error in regard to the number of guns in the Trans. Mils. Dept - probably supposing that the Report above referred to, included the entire Artillery strength of the Department, when, in fact, it only embraces the Artillery of the District of Texas. The Returns in your Office will doubtless confirm these statements; but if they have not been secured, then, as Chief of Artillery of that Army I state the facts to be that way.

I have not construed your endorsement upon the papers in my case to be a recommendation for a Colonelcy.

At the time your endorsement here made I had already been appointed a Colonel of Artillery.

My letter of Appointment dates as far back as

November 13th 1862: ~~Added~~ upon it is written in pencil 'For the 7th Oct. 1862?' doubtless referring to the successful efforts I made, on that day, to bring up the Artillery for the Battle of Perryville, Ky: and for which my Generous Chief, Genl Polk, was pleased to compliment me in General Orders.

Given endorsement therefore could only have referred to the application for higher promotion: and on that point I desire to add a few words (with great reluctance) of a personal nature.

Early in this Revolution I was elected Colonel of the second (2nd) Regiment of Infantry raised in Tennessee.

At the earnest solicitation of Governor Harris, of that state, and Genl Polk and Pillow, I declined the position, and accepted an appointment as Captain of Artillery and Ordnance. I did so from patriotic motives: as the Gentlemen represented to me that there was no other officer in the command, at that time, who was sufficiently acquainted with that branch of the service to superintend the drawing, casting, boring, testing & equipment of Field Artillery.

I labored faithfully & zealously as Captain of Ordnance until I had placed six (6) Batteries, of six (6) guns each, in the field. I took command of one of these Batteries, and have been connected with that arm of the service ever since.

I have never, directly or indirectly, sought any individual promotion until the present time.

When made a Major of Artillery, I was ignorant of the fact that an application had been made

for my promotion: and when I was appointed
a Colonel, skipping the intermediate rank, no
one could have been more surprised than I was.

On the 9th Sept 1863 I was announced in
Special orders, by the order of Genl Smith, a Briga-
dier General. The appointment was unrevoked
by me: but I have been acting under this order (still
unrevoked before the army I am serving with) up
to the time I was notified from your office, that
my appointment, as Colonel of Artillery, had not
been acted upon by the Senate; and that I
must revert to my former rank as Major.

And now, although reinstated to the original grade
of Colonel of Artillery, it is with a loss of two
years rank.

Educated, from my infancy, always to respect the
proper pride of a soldier, this reduction in rank
is painful in the extreme: more especially, when,
in line of complaint, my commanding officers
are recommending me to the Department for
higher promotion.

Under such circumstances will my Govt de-
grade me before my companions in arms?
I have made every pecuniary sacrifice cheerfully.
I at and shed my all, in the enemy's lines, at
the commencement of the war.

I have declined high rank for the humbler
positions in which it was thought I could be
more useful. And now, after two years
arduous service as Colonel of Artillery, will
my Government, without word of complaint

against me (but sustained by the recom-
mendations of all my commanding officers)
hesitate between the alternatives of taking
that two years rank from me, or, adopting
the suggestions of my superiors, give me that
higher promotion which will place my name
above reproach?

In the instinctive sense of justice of the President,
regulated by a high & proper regard for the
best interests of the service and the country,
I submit the question.

I have the honor to be, Genl.
Very respectfully

General:

I have the honor to state
that I have in this District, one
hundred and twenty two pieces
of Artillery, consisting of Sea
Coast, Siege and Field guns.

All of these guns are serviceable
and actually in use at this
time. I have placed all of
these guns under the control of
Col. S. P. Bankhead, who is a
most efficient, reliable, and
skillful artilleryman. Although not
a graduate of West Point, Col
Bankhead has received a practical
military education, being a son
of the late General Bankhead of
the old Army, and is in every

respect qualified for the highest
Military Command.

The President having declined
to confirm his nomination as
Brig. Genl. I applied to Lieut. Genl.
Smith, who ordered him to report
to me, and I have reassigned him
to duty as my Chief of Artillery.
I need increased rank for Colonel
Pankhead, as the Commissions of
most of the Colonels serving in
Texas are anterior to that of Col
Pankhead, and thus I am deprived
of his valuable services in positions
of high command.

In view of the great respon-
sibility of my command, the
extent of territory, and the long
line of Artillery defences, I beg
that I may have the aid of
an officer, in whose judgment
ability and zeal I have every
confidence. Colonel Pankhead
is ranked by the Artillery, most
of the Cavalry, and many of the

Infantry Colonels of this command
and hence can only act by
virtue of his Staff appointment.
After free consultation with Major
Johnson Adj. & Insp. Genl. who
called my attention to this Act of
Congress on this subject, I
now propose that Colonel
Pankhead be appointed Brig.
General of Artillery, and be
to report to me for duty.
Col. Pankhead has been
recommended for the position
of Brig. General by both General
Bragg and Maj. Genl. Polk,
with whom he served, when
Capt of the Mississippi River, with
great distinction.

Sir,

I have had the honor hitherto
to address the Dept, requesting
the appointment of Col S. P. Baughen
at present my chief of artillery,
to the rank of Brigadier, in order
that he might be placed in command
of the artillery in this District.

Col Baughen served as
chief of artillery, with General's
Pace & Bragg; and was by them,
highly recommended for promotion.

I have the honor to state
for the information of the President,
that I have in actual service, in
this District, about One Hundred
thirty pieces of artillery, the
siege train & Light Batteries con-
stituting over two thirds of the
number

number, being more guns than
Contemplated by Act of Congress
to give the rank of Brigadier
Col Baudreau being an
Junior Col to many of the Infantry
and Cavalry officers, with whom
he is thrown in contact, prevents
me from placing him in actual
Command of the artillery, where
his experience as an artilleryist,
his judgement, and ability as an
officer, would be of infinite service
to me and the army.

He has all the requisite
qualities to command, the
judgement to direct, and the
energy & will to execute.

I found this recommending
this Lt Gen Smith, feeling con-
fident, that the merits of Col
Baudreau, will be appreciated by
him, and that my necessities
may be considered, and trusting
that if the appointment be made
it will be forwarded to these Headquarters
with as little delay as
possible,

Material explanation of

 to the P. Bank head

R. H. O. Aug 24/61

Capt. E. P. Turner A. A. S.

Galveston Aug. 20th 1863.

Sir:- I am protesting against the order of May Genl J B McKeever requiring me to report to aft Brig-Genl S P Bankhead. My junior in rank, it was not my intention to raise an issue between Genl Bankhead and myself, as to which should command the district, or the Brigade. He had been already assigned to that duty by the May Genl Crumby, and from his military knowledge & experience is doubtless highly deserving the position. Disclaiming myself any desire whatever to command any thing more than my own regiment. The question with me was one simply of military propriety. I did not feel willing by reporting without protest, tacitly to admit my own inability to discharge any duties that might devolve upon me by virtue of my commission. Nor did I feel authorized to recognize in the May Genl a legal right to order me to report to. I take orders from my junior in rank. I am very glad to learn however from the May Genl Crumby that he does not claim the appointing power as a legal right - but only exercises it in cases of necessity. And I beg to assure him that I am prepared to yield every thing, save my honor to the cause in which we are engaged, and to acquiesce in the arrangements he has made so long as the exigencies of the service may require it - or until the same has been changed by the proper authorities. I trust this explanation will be satisfactory to the May Genl Crumby. And that he will allow me to return to my command.

I am very respectfully

Some months ago I had
the honor to address you a communication
concerning Col Smith's B. Bank had been
serving in Texas with great bravery for
the cause of Freedom. I now desire
to repeat that communication especially as I
am advised by General Magruder he is in
want of his services in that capacity in
the field where he is now serving.

Col. Magruder is the son of one of
our old Army officers, and was brought up
thoroughly in arms. His education being
always done with the Army and his father
and instructors all had him that way.

He is a man of fine sense, excellent
military judgment, and great military
preference. As a disciplinarian I regard
him as one of the best in the Army and
indeed I know of no one now commanding
who would make a better Regiment. He
has proved quite able in the important work

and was high up the first to be hit under the
Commodore's flag. In this case he was known
as Captain of the ship in several battles and
was high up in the line of battle of my ship.

I have been very high up in the line of battle of my ship
and have been very high up in the line of battle of my ship

Rec^d March 24/63

Head Quarters, District of Texas, New Mexico and Arizona,

Houston Feb'y 12 1863

I had the honor to address a communication to the Department in October last, from mobile, asking that Col Smith P Bankhead of the Artillery, who had been highly recommended by Lieut Genl. Pack, and his Comdg Genl for promotion, might be assigned to duty as a Brigadier Genl in this District.

I have since learned that his nomination has been mislaid, and I therefore ask your attention again to this subject.

His experience, energy & capacity for organizing and disciplining troops, and commanding them in the field are known to me, and would render him eminently useful at this particular juncture.

His gallant & reliable and
good conduct in the face of the
enemy have been recognized by
other Generals under whom he has
served (as will be seen from the
accompanying papers) and a
strong case is presented for the
action of the President.

There is a sufficient number
of guns in this state to justify
the appointment of a Brigadier General
for that service, and from the
immense frontier country to be
defended, it will require the
supervision of an able officer
and for this duty I know of
no officer better suited than
Colonel J. P. Buckhead.

I therefore strongly recom-
mend and ask his early
promotion.

Headquarters 1 Corps A. of Mex
Camp. near Tepic, Mex. June 13. 786

March

By the act of Congress accepting the service of the troops
from Mexico, the Artillery Corps, with its organization was
renewed, as an entity. The Corps consisted of twenty or more
companies, with one Colonel, Lt. Colonel & Major.

Lt. Colonel has been promoted to Major General (McLown); the
Lt. Colonel (Mayne) has retired, & the Major has been pro-
moted to a Brigadier General (Hargis).

The law of its organization provided that all the Field
Officers & Captains should be appointed by the Governor of
the state, but as he has no power of appointment now, that
power acts, by act of Congress, in the President.

The Field Officer being vacant, the undersigned is
the Senior Captain of the Corps of Artillery of Mexico, here,
sent for duty & serving with the Corps; and, as such, ac-
cording to all military usage is entitled to promotion,
unless there are reasons to the contrary.

The rank of Captain is the order of appointment, in case of the

undersigned, as a former Captain. (52)

Polk, Wm. Jackson, Gen. Wm. Jackson, and

S. P. Bunkerhead.

Capt. Hargis has

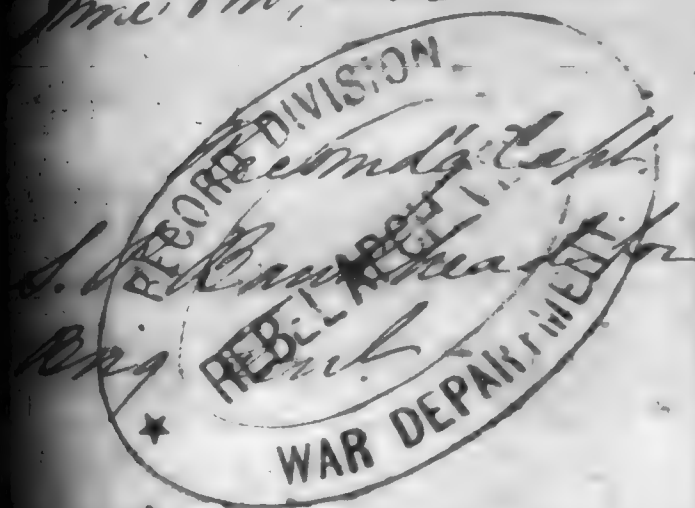

accepted an appointment on the staff, and his
Battery has been broken up: Capt. Polk was wounded
at Shiloh (losing his leg), is now a prisoner of war,
and his Battery has been broken up; Captain
Wm. Jackson has been appointed a Colonel of
Cavalry. Captain Andrew Jackson^(Sr) has been
detached Colonel of some other organization,
leaving the undersigned the senior Captain
of the Corps in the field & serving with his Battery.
The undersigned has been informed by Major
General Polk (under whose command he has
served since the occupation of Columbus, Miss.)
that he had been recommended by him, to the
Department, both as Colonel of Artillery & for
the command of a Brigade.
This compliment is the more grateful, as it was
undesired, and the undersigned would have been con-
tent to remain the action of the Secretary, but for
the suggestion of his friends that it was proper &
becoming in view to assist the Secretary of War, as
a basis for prompt action, to the flattening under-
stand he has raised from every Army office under
which he has served, in every department: as Ordnance
Office in Nashville, getting up models for the

manufacture of guns & mortars, superintending their casting and
testing them when completed; the construction of gun carriages
the manufacture of Roman stones: As an Artillery Officer,
in the command of heavy & light batteries; as Engineer in
the construction of forts & other defenses along the river:
and now as Chief of Artillery of this Army Corps.

All these duties are performed cheerfully & I believe
with satisfaction to the service as the education of the
Undersigned had made them familiar; and at the
beginning of the war it was difficult to obtain
men of military education to perform these duties,
most of them seeking lighter work in other arms
of the service.

It is proper that I should inform the Secretary of War that
I declined the colonelcy of an Infantry Regiment; at the same
gentle solicitation of those in authority, who considered my
services more essential in the Artillery.
In consideration of my services at the battle of Shiloh,
as Chief of Artillery, & in the immediate command of
my own Battery, and afterward, in bringing off several
of the captured guns, & causing several others to be brought
off, I received the thanks of General Polk, & in a special
order, have been allowed to retain the "Battle flag"
conferred by my command on that field.

The Hon. Geo. W. Randolph
Secy of War.

Memphis has upwards
of 50. Regiments in the field and
only eight General Officers. While
it has so far as I can learn
only nine Regt. and seven General
Officers. The same composition dis-

proportion exists in regard to other States.
This state of things naturally produces
a feeling of discontent among Memphians
especially as they feel they have stood in
the Army which should be in the field in
that way. I object in this is
to present the facts to the Department
as important for the harmony of our
Army as well as to present the
names of an officer who is eminently
qualified for the office of Brig. Genl.
His Education, and military attainments
and experience, as well as attainments
fit him well for such duties. It is Capt.
Smith P. Bankhead of Bankhead's
Artillery. He spent his service in the
hope they may be given to us.
Respectfully,
G. W. Randolph.

WAR DEPARTMENT
THE ADJUTANT GENERAL'S OFFICE
WASHINGTON

IN REPLY
REFER TO

ONE

April 2, 1900.

Respectfully returned to

Mrs. E. F. Gilliam,
900 - 9th Avenue, West,
Birmingham, Alabama.

The name John Taylor Burke has not been found on the muster rolls on file in this office of Company M, 2d Regiment Alabama Infantry, Confederate States Army, which rolls cover in part the period from July 15, 1861 to April 30, 1862, nor has any record been found of his service, capture or parole as a member of that organization.

The records show however, that one John Taylor Burke was attached to Reynolds Hospital, Chelsea, Maryland, February 10, 1862, as Washington Steward. He was appointed Hospital Steward, Confederate States Army, by order dated February 10, 1862, and served as such in that Hospital until the appointment was revoked, by order dated July 2, 1862.

He was then enrolled as a conscript, and was surrendered, a private, (conscript) by Lieutenant General E. Taylor, C.S.A., May 4, 1862, and paroled at Frederick, Maryland, May 14, 1862, residence, Douglas, Alabama.

Major General,
The Adjutant General.

El Cap. I have to day received the enclosed paper
it having been forwarded by mail from Granada.
In fact, I received when the Adjut Comdr
announced me as the Chief Clerk of the Army
Department. He entrusted me to do every thing
pertaining to my own department.
One the 13th of last March urgent demands
were made upon me & the Commissioner at
Granada for supplies. The Quintero Cavalry
under my charge kept up a continual
demand for transportation in order to get
the supplies already purchased by cash
expended acceptable Route on the Meri
& Leon Road. I had wagons, but I wanted
mules and after many unsuccessful efforts
to obtain them in the surrounding Country
I ascertained through May Jimenez that there
were a large number of mules for
sale at Hernandez and I sent the
men whose names are written in the
paper to that place for them.
I gave them the Pan which you have
forwarded to me because I understood
in my own mind that I could do so
but the fact of your referring this
to me evidently implies

 other things which are an absolute necessity

 consideration, even to the point of the
 attack, is the fact that the management of
 the troops and the management of
 operations, as now conducted, do not promise
 success. He is in want of more efficient &
 more capable officers, more than what he has
 in his hands, and even he is able to achieve
 much in his Department, unless he is well
 supplied with men, and with good equipment, and
 placed in a corresponding manner, where
 services can be obtained. He tells
 me that he has been in the army, and it
 is important to have a number of the

 makes it a peculiarly serious, to improve

 it did not present much serviceable

Capt. Amable employs one hundred

 for the attendance to stock. His expenses for
 team hire, and more to the sum of 100 acres of
 pasture (rented) amounts to \$1,500 - for stock
 and expense, extraordinarily high, which is paid
 out of the stock fund. The cost of the
 pasture is paid at the rate of 20 cents per

In regard to the report of the committee on the subject of the proposed transfer of the station to Mobile, the committee has the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the same. It has been the policy of the War Department to concentrate the troops in the place, the more so in view of the fact that the transfer of the station to Mobile would require the removal of the troops from the place, and the committee is of the opinion that it is not expedient to do so at this time. I have ordered, and am quite a slave to
the paper, and am sure you will be

I have no doubt that, even in the earliest
 stages, there is a constant flow of water
 from the surface of the earth into the
 ocean, and it is such. The water is
 made out of fine sand, or badly sorted

The capacity of the shops engaged in
making Horse & Mule shoes is
limited for they can not make more

It also mentions an employment at
Seymour, and as Captain Ingraham
has a large private collection of several
articles of Indian and other goods.

Col. Hill.

My dear Sir

I hope Mr. Hillton will
hand you the memorial which you promised
last night to act on in. Be so kind
to sign it yourself and secure the
signatures of other friends. By
doing this you are not only helping
me but are doing a great favor
to A. S. B. Please give it to
the Door Keeper (wind) who
has instructions to bring it to me.
Every word said in the memorial
about Mr. Dickey is true. The memorial
was written by Col. J. H. Smith who is as
correct about the matter as myself.

Confederate Regt.
3 miles from Chattanooga - Oct. 11th 1865

Immediate and unconstitutional resignation as a result of
surgery in the Presidential Hospital, C. S.
The reasons for the same are continued and increas-
ing bad health and inability to perform the duties re-
quiring of the Office.

Very respectfully,
John Philip Smith
William B. Smith, M.D. Surgeon
3rd Confederate Regiment

William B. Smith, M.D. Surgeon, 3rd Confederate Regiment, having
applied for a certificate in which to record a tender of
resignation. I certify that I have carefully examined
this officer and find him, incapable of performing the duties
of his office because of severe dyspepsia and chronic diarrhoea
which are increasing in severity and which have induced
great debility and emaciation. I therefore respectfully
recommend that his resignation be accepted.

Wm. B. Smith
Surgeon 3rd Confederate Regt.
Act. Sec. Surgeon Polk's Brigade

Wm. B. Smith, M.D. Polk's Brigade, Oct. 11th 1865
I have to certify that Dr. Smith has had diarrhoea
these several months previous to July 1865, he had been on
hospital duty. His departure for duty in the 3rd Confederate
Regt. July 28th 65. On the 28th of August following it became
necessary to send him to hospital for treatment & change
of diet. On the 4th of the present month he returned to the
regiment nothing improved and greatly emaciated; he was totally
unable for any kind of service, and he and those immediately
around him considered it to be unjust and to the detriment of the
public service that he should resign. Wm. B. Smith, Surg. 3rd Conf.

Genl S. Cooper:

St J. Paul

Genl:

Here with I respectfully ask permission to tender my resignation, as Chaplain of the 4th S.C.C. Battalion, 2nd Brigade. Chief among the reasons compelling me to this step is the present & long continued ill state of my health, incapacitating me for the proper discharge of the duties of my office. My age (over fifty) precludes the prospect of a speedy return of my health & strength in the army. Should my life be spared for usefulness to my country, it may perhaps be best devoted to a resumption of the duties of the Pastoral Office among the people with whom I have spent the flower of my youth and the vigor of my manhood.

Very respectfully,

Your obd. Servant

Wm. Banks

Recd. Two
Aug 22/63

Mobile. January 7. 1863

To the
Hon. S. R. Mallory
Secretary of Navy. (C. S. A.)
Richmond

Hon. & dear Sir

Thanking you sincerely for your
many kindnesses hitherto bestowed at my request, I wish a
happy New year to yourself & family, and success and
prosperity in the administration of your department,
for another twelvemonth, indeed, "ad multa venimus."

With this preliminary, there is a little matter
I would urge on your consideration, affecting a large body
of true Catholics, and indirectly, as far as it goes, the
Confederacy itself: it is in reference to Rev. John
Barnes. This Rev. gentleman was Chaplain (state) to the
Missouri State Guard, when, in May 1861, it was dispersed
at Camp Jackson, by the Federal Government. Father
Barnes' devotion to our cause was so well known at this
time, in St. Louis, that it earned for him at the hands of
the Lincoln officials much opposition & in one instance
nearly cost him his life. When Genl. Price was gathering
his noble band of patriots, and young men (Catholics) from

St. Louis left that city to join him: tho' separated from
family & home they murmured not, but fought on unflinchingly
for the Cause of the South. There was, one thing, however, they
could not do without - the ministrations of a Catholic Chaplain.
They wrote to Father Bannon to St. Louis, for assistance;
and he, with a noble sacrifice of all selfishness, relinquished
his comfortable position of Pastor of St. John's Church, in the
city, and, thru many dangers, succeeded in reaching the
Army, which he has followed faithfully ever since June
1863. Ever since then, he has been the faithful Apostle
to about 1800 Catholic Missionaries of the Army,
has been in the trying conflicts of Elkhorn, Burnhamton
and Corinth & is yet with the same Army. During all
this time, he has not received a cent of the public
money. He started from St. Louis with 300 hundred
dollars in gold & has been serving since without any
compensation, depending entirely on the courtesy and
generosity of the officers. He is now without funds,
1000 dollars in debt & unable any longer, unless
assisted, to continue his services to the Army.
I would most earnestly request, then, Hon. & dear
that you would procure for him a chaplaincy, with
order to report to Major Genl. Lee, and, if possible,
have it antedated so as to cover his services from

1862 to the present: I know it does not belong to your department, but I am sure for the sake of our cause, and the spiritual interests of so many, have seen you will do all you can to obtain the granting of this request. Thanking you again & again for your kindness, and that shown to Major Barry of Western Virginia, I am, dear Sir,

Yours most faithfully

John Linn Com
W. of Mobile
